## A BIG CROWD IN ATTENDANCE

Third Annual Union Meeting  
of Christian Churches a  
Big Success

Good Sermons by Rev. J. C.  
Burkhart and Stephen  
J. Corey

The third county convention of  
Christian churches held Sunday at the  
fair grounds, was attended by more  
people than any previous meeting of  
the kind. It is estimated that fully  
one thousand people were in attend-  
ance.

The traction line carried many to  
the grounds and many went out in  
vehicles of various kinds. The meet-  
ing was the most interesting and en-  
joyable of any that has ever been held  
and it is hoped to make the meeting  
next year still better.

In the forenoon an interesting and  
helpful address was delivered by Rev.  
J. C. Burkhart, pastor of the Central  
Christian church at Connersville, who  
spoke to a large crowd from a platform  
in the amphitheatre.

The afternoon session was attended  
by an immense throng, the grandstand  
being almost filled. The address at  
this meeting was delivered by Stephen  
J. Corey, of Cincinnati, O., secretary  
of the National Missionary Society.  
John A. Spurrier led the congregational  
singing, one of the features of the  
day, and the Misses Ida and Hazel  
Spurrier sang a beautiful duet. Or-  
land Myers presided at both meetings  
and Rev. F. B. Thomas acted as sec-  
retary. Rev. W. W. Sniff, pastor of  
the Main Street Christian church, this  
city, had charge of the communion  
service.

The new officers elected for the en-  
suing year are as follows: E. E. Hun-  
gerford of Big Flatrock Christian  
church, president, and Rev. W. W.  
Sniff, pastor of the Main Street Chris-  
tian church, this city, secretary and  
treasurer.

they will be opened immediately. The  
latch string will be out to the vot-  
ers of Rush county and elsewhere, so  
give the county chairman and Sec-  
retary McColgin a call.

Sylvester Bankert and others on a note  
and lien has been dismissed.

A special venire of twenty talesmen  
has been ordered for the Tame Tomp-  
kins trial which begins Thursday. A  
motion to quash the indictment filed  
by the defense was argued by Attor-  
ney Douglas Morris and Deputy Prose-  
cutor Kiplinger this morning. Judge  
Sparks will not give his decision un-  
til tomorrow.

Cecil Clark will leave tomorrow  
to enter Butler College at Indianapo-  
lis.

## HOME COMING GOLD MEDAL

Won at Louisville by Uncle  
Gordon Boling—Oldest Ken-  
tuckian at Home Coming

This office was honored this after-  
noon by a call from Uncle Gordon  
Boling, who, as mentioned in the Re-  
publican last week, won the gold med-  
al for being the oldest former resident  
of Kentucky in attendance at the  
"Home Coming," held at Louisville  
in June. Mr. Boling prizes his medal  
very highly. It is of a beautiful de-  
sign and is valued at \$100. Mr. Bol-  
ing is a former resident of Rush and  
Decatur counties and first settled  
near Clarksburg in 1822. He was then  
five years of age. He is now eighty-  
nine years, and resides at Windsor,  
Ill., for which place he will leave  
next week. Mr. Boling is as hale and  
hearty as a man of forty. He never  
has an ache and his nerve is as steady  
as a clock. He attributes his good  
health to the fact that he does not  
drink liquor and has not used tobacco  
for thirty-five years. Mr. Boling re-  
sided in Rush county from 1838 to 1874.

## FURTHER DETAILS OF R. R. WRECK

Became More Complicated and  
New Temporary Track Nec-  
essary to Open Traffic

[Special to the Daily Republican.]

Carthage, Ind., Sept. 24.—The  
freight wreck (an account of which  
was published in Friday's daily) be-  
came more complicated early Saturday  
morning. Almost immediately after  
Friday's wreck a big force of men  
was put to work constructing a tempo-  
rary track around the wreck. The new  
track was laid east of the old one and  
the load of ties (Big Four property)  
from the car which caused the wreck,  
were used in its construction. The  
Wabash wrecking crew removed  
two cars Friday afternoon.

The passenger train from the north  
and south transferred passengers in  
the afternoon. The north bound even-  
ing accommodation was detained here  
some time, but was later taken over  
the new track. A through freight  
train proved too heavy and four cars  
were derailed by a broken rail. The  
track was cleared in time for the  
morning passenger train to arrive at  
the depot not far from schedule time.

The Greensburg crew was here and  
there has been almost constant work  
at the scene. One of the loaded cars  
which were thrown across the track,  
was loaded with matches. The one  
nearest it contained baled hay, and  
the car most badly damaged was filled  
with bottles, many of which were  
broken, and others carried away by  
visitors.

A big crowd witnessed the wreck  
and the work of clearing it away.  
There were visitors from Knights-  
town, Rushville and other points.  
The car which caused the wreck was  
picked up at Shirley Friday morning.  
The wreck was in plain sight of the  
canning factory and some of the hands  
saw the disaster. The factory was  
instantly shut down and most of the  
force rushed to the scene.

Berlin Caldwell returned Satur-  
day after a ten day's visit with friends  
in Indianapolis.

Mr. and Mrs. J. H. Lubbe spent  
Sunday with Mr. and Mrs. James Mc-  
Cabe, of Anderson.

Alva Young of Indianapolis, spent  
Saturday evening and Sunday with  
Miss Grace VanPelt, of Milroy.

Mr. and Mrs. John Ennis, of In-  
dianapolis, have been visiting her pa-  
rents, Mr. and Mrs. Frank Vance, of  
near Falmouth.

Merle Edgerton, who has been  
visiting his cousin, Ralph Edgerton,  
for the past few days, returned to  
Richmond today.

## THE INFLUENCE OF RELIGION

Rev. Sniff Says Test of True  
Religion is its Aid  
in Life

Splendid Sermon Sunday Even-  
ing at the Main Street  
Christian Church

Both the music and the sermon at  
the Main Street Christian church last  
night were especially enjoyable and  
helpful. The choir, with the congre-  
gation joining, sang several beautiful  
vesper hymns. The anthem was an  
arrangement of the familiar words,  
"Abide with Me," and was well ren-  
dered by a large choir.

A large congregation listened to a  
practical and hopeful sermon by the  
pastor on "God in Human Life," in  
which the pastor spoke of influence  
of true religion in the affairs of every-  
day life.

The sermon was in substance as fol-  
lows: "The test of true religion is the  
practical and efficient help it gives to  
one in the battle of life. When 'the  
Word became flesh and dwelt among  
men,' it was for the purpose of fur-  
nishing comfort, strength and guid-  
ance for a life to be lived in this  
present world. A practical religion,  
therefore, is one which recognizes the  
problems and responsibilities of life  
and grapples with them.

"Christians are often restless, un-  
satisfied and unhappy because they  
are not living up to their rights and  
privileges as citizens of God's king-  
dom. The remedy is not in seeking  
something else, but in claiming the  
rights and blessings which belong to  
every child of God. 'All things are  
yours,' say the Scriptures. There is  
no blessing that is attainable by any  
person in the world that cannot be  
attained and enjoyed by every humble,  
loyal and obedient follower of Christ.

"When God is admitted into a hu-  
man life certain results must follow.  
Conscience is quickened.

The still, small voice with which  
God speaks to the soul becomes clear  
and strong. Right becomes regnant  
and commanding.

"The divine life entering the hu-  
man life brings a passion for service.  
The Son of Man came into a world  
of sin and suffering and sorrow, not  
to ignore these things but to minister,  
to help. True religion does not spend  
much time thinking and talking of  
one's own deliverances, but seeks op-  
portunity of helpful service. There is  
much prating in religion about one's  
self being superior to the physical,  
while a sinning, suffering humanity  
is hungry for the gospel of forgiveness  
and hope, for the touch of sympathy  
and word of practical encouragement.  
When a life is selfish and self-satisfied  
it is certain evidence that the divine  
element is absent.

"The entrance of the divine into  
the human life brings joy and peace.  
There is no person or class or cult  
who have more of true sweetness and  
song than the Christian. It is both  
the privilege and the duty of every  
follower of Christ to go forth to daily  
tasks and trials, too, if need be, with  
a song in the heart, if not on the lips.  
The joy and the song which every  
Christian can have smoothes the rough  
road, lightens the heavy burden, lifts  
one above disappointments, and sweet-  
ens the cup of life. Dismissing all  
dark and unkind thoughts the life is  
filled with peace. Love takes up the  
harp of life and discord ceases. Where-  
ever heaven touches earth the song  
awakes. Whenever God, through  
Christ and his gospel, enters into a  
life, there is joy and strength for the  
battle and the glad song of victory."

The sermon throughout was optimis-  
tic and hopeful. It looked on the  
bright side. It recognized the human  
conditions in the midst of which we  
all live and do life's work, and yet  
sounded the note of triumph and sent  
the audience away with the feeling  
that life was worth while.

Mrs. Harriet Clifton, of Marion  
and Mrs. Mary Evans, of Seawee, who  
have been visiting Mr. and Mrs. S.  
F. Clifton, of West Ninth street, re-  
turned home Saturday.

## CITY SCHOOLS OPENED TODAY

Big Attendance is Reported—  
The Schools are  
Scattered

The Rushville public schools opened  
today with an increased attendance  
over that of the first day last year.  
Good interest was manifested for the  
first day and prospects are very bright  
for a successful school term, despite  
the fact that the system is badly  
crippled, pending the completion of  
the two new buildings. While work  
on the buildings is in progress school  
will be held in two private residences  
that have been rented by the School  
Board, in the Havens school on West  
Third street, and in the basement of  
the Main Street Christian church.  
The high school will hold half-day  
sessions in the Rush county court  
house, using the assembly room and  
the office of the county superintendent.  
The Jackson school will be completed  
Dec. 1st. The high school building  
will not be ready until Feb. 1st.

The high school pupils and many of  
the grade pupils assembled at the court  
house this morning. Mr. McDaniel,  
principal of the high school and Supt.  
J. H. Scholl explained the work and  
the regulations governing the work  
this year. Temporary programs were  
made out and the teachers gave out  
the assignments in the various studies  
for tomorrow at which time actual  
work will begin.

When the various rooms were dis-  
missed the down-town streets swarmed  
with school children, on their way to  
and from the book stores, where the  
clerks were kept busy all day.

There are two new teachers in the  
high school. Miss Ruth Rush has  
charge of the Latin department and  
G. Y. Warner has the History and  
German.

## SCHOOL NOTES.

There are about 157 students attend-  
ing high school.

The high school was dismissed early  
this morning, so that the teachers could  
have a teachers' meeting.

Miss Olive Traylor was not able to  
attend school today on account of  
sickness.

Commercial Law has been added to  
the high school course and will be  
taught by Prof. McDaniel.

## THE HIGH SCHOOL FOOT BALL TEAM

A Good Class of Candidates  
Begin Practise  
Today

According to the teachers and young  
men of the high school prospects are  
bright there this year for a good foot  
ball team. A number of candidates  
reported today and some practice was  
had. The following named high  
school students are considered avail-  
able foot ball material: Bennie Sparks,  
Ralph Stiffler, Chase Smelser, Tom  
Meredith, Hugo Moffett, Scott Buell,  
Augustus Williams, Edgar Higgs,  
Joshua Brown, Carl Gunning, Lewis  
Frazee and Monroe Brecheisen.

Mrs. John Wolverton visited her  
mother, Mrs. Martha Morris, at Ar-  
lington, Sunday.

Miss Elizabeth Collier, of Indian-  
apolis, is spending a few days with  
friends and relatives here.

Mrs. Charles Carney, of Noble  
township, who has been threatened  
with typhoid fever for the past few  
days, is now better.

Miss Hattie Catney will leave Fri-  
day for Edwards, Miss. to teach  
her work as teacher in the public  
schools.

## THE PACT IS HANGING FIRE

Pure Election Conferees in  
Decatur County  
Disagree

Clause Relating to Assessment  
of Candidates Was the Rock  
on Which they Split

Greensburg, Ind., Sept. 24.—The  
joint conference of the Democratic  
and Republican pure election commit-  
tees, which met in this city Saturday  
afternoon, adjourned without coming  
to an agreement concerning the plans  
to secure a clean election this fall.  
Separate articles of agreement were  
submitted by both the Republican and  
Democratic committees. In many par-  
ticulars these articles were much the  
same, but the point on which the two  
committees failed to agree was the  
manner in which the campaign funds  
are to be raised.

The agreement submitted by the  
Republicans provided that the funds  
for carrying on the campaign were to  
be raised wholly by assessment of can-  
didates. The Democrats objected to  
this for the reason that a number of  
candidates on their ticket had accept-  
ed the nominations at a personal sacri-  
fice, and that in permitting their  
names to go on the ticket they had  
been assured by the Democratic or-  
ganization that they would not be sub-  
ject to an assessment more than they  
voluntarily wished to contribute and  
that the funds would be raised by pop-  
ular subscription.

The Democrats would not accept the  
proposal offered by the Republicans  
without the removal of the clause, and  
the Republicans would not accept the  
proposition of the Democrats without  
such a provision. Seeing that any at-  
tempt to force the issue would result  
in a disagreement and defeat the pur-  
pose for which the committees were  
appointed, the question was not put  
to a vote, but was referred to a joint  
committee of four members from each  
party, who were instructed to report  
at a meeting of the whole committee  
next Saturday afternoon.

## CHURCH NEWS

The note representing the last in-  
debtedness on the Fletcher M. E.  
church at Carthage, and which was  
paid off was burned with appropriate  
ceremony during the service Sunday  
morning. The church property repre-  
sents a money value of \$10,000. The  
church was dedicated in 1898.

The re-dedication exercises at the  
Fairview Christian church Sunday  
afternoon were largely attended. The  
dedicatory sermon was preached by  
Rev. J. C. Burkhart, of Connersville.

The Womens' Missionary Society  
of the United Presbyterian church  
will meet Wednesday afternoon at the  
parsonage. The meeting will be in  
the nature of a farewell reception for  
Mrs. A. F. Stewart.

The Young Ladies Missionary So-  
ciety of the United Presbyterian church  
will meet Tuesday with Miss  
Ethel Davis.

Rev. W. W. McCall, pastor of the  
U. P. church at Springhill, preached  
Sunday evening at the U. P. church  
in this city. T. A. Craig and Miss  
Bertha Megee each sang a solo. The  
services were especially interesting  
and helpful and were attended by a  
large congregation.

A class of five were taken into  
membership Sunday morning at St.  
Paul's M. E. church.

There will be no service next Sun-  
day at St. Paul's M. E. church. Rev.  
Tevis will leave Wednesday for  
Greensburg to attend conference.

Revival services will be held at  
Plum Creek church beginning Thurs-  
day evening.

At the Main Street Christian  
church, Sunday evening, Rev. Sniff  
preached an excellent sermon on the  
subject, "God's Place in Human  
Life." There was special music by the  
choir and a splendid congrega-  
tional singing.

## LEAVES ON HIS WESTERN TRIP

Congressman Watson Touring  
Iowa With "Uncle Joe"  
Cannon

Congressman Watson left Sunday  
for Danville, Ill., where he met Speak-  
er Cannon, with whom he proceeded to  
St. Louis, where they started this  
morning on the "Cannon Special" for  
a speaking tour of Missouri, Iowa and  
other States in the West. Today  
Messrs. Cannon and Watson spoke at  
Sedalia, Mo. The remainder of the  
itinerary for this week, is as follows:  
Tuesday, September, 25th, Kansas  
City; Wednesday, September 26th, St.  
Joseph, Mo. Thursday, September  
28th, Ottumwa, Ia.; Saturday, Sep-  
tember 29th, Burlington, Ia.; Monday,  
October 1, Davenport, Ia.

At the close of the Davenport  
meeting Speaker Cannon will  
come with Mr. Watson into this dis-  
trict, speaking at New Castle, October  
3, and at Greensburg, October 3. An  
effort is being made to get him to open  
the campaign in this county.

## COLORED PEOPLE ATE FATTED CALF

The Camp Meeting at Manila  
Drew Large Crowds  
on Sunday

Hundreds of people attended the col-  
ored camp meeting being held at Manila  
Sunday. The grove just east of Manila  
was crowded all day and according to  
the report from the latter place, the  
streets were crowded with people bound  
for the grove.

The drawing card of the day was the  
announcement of the fact that a fatted  
calf would be killed in an effort to ex-  
emplify the story of the "Prodigal Son."  
Varying slightly from "ye olden times,"  
a calf was served and scores of people  
gnawed on the luscious meat while Rev.  
T. T. Carpenter, delivered the sermon  
of the afternoon.

The calf had been killed and cooked  
in this city and was taken to Manila  
for the hungry horde to feast upon.  
The "Prodigal Son" was not in evidence  
in person, but many claimed they could  
feel his spiritual presence.

There were several speakers in attend-  
ance at the meeting and excellent ad-  
dresses were given.

The ministers showed rare appetite  
for calf meat and the once hardy young-  
ster was soon nestling in pieces in the  
stomachs of the religious beings in at-  
tendance.

There is not one who can say that the  
"Prodigal Son" sermon was not better  
exemplified at Manila than it had ever  
been before in Rush county so far as  
illustration was concerned.

The camp meeting has closed.

## WATSON GIVEN GREAT PRAISE

His Muncie Speech Consid-  
ered Example of Oratory  
that is Seldom Equaled

Muncie Star Says that Laying  
Politics Aside, Address was  
Notable in Many Ways

In an editorial the Muncie Star  
paid a glowing tribute to Congressman  
Watson, who made an address there  
last week. The Star said:

Aside from the politics of Mr. Wat-  
son's speech in the auditorium there  
are two or three points which demand  
more than a passing reference. And  
these points are not often to be seen  
or heard in the usual campaign  
speech.

Mr. Watson spoke for a little over  
an hour and a half. He must have  
uttered in that time not less than 15,-  
000 words—possibly nearer 20,000; for  
during the entire time his gait was  
never slackened, and its speed was  
what one might call almost terrific,  
keeping the mind busy following him.

Senator Carmack, of Tennessee, is  
somewhat above the average of public  
speakers in rapidity of utterance; yet  
Mr. Carmack would have required  
from three to four hours in speaking  
the same number of words Mr. Watson  
spoke in one hour and a half, full  
measure.

Another feature of the speech was  
the clearness of the speaker's enun-  
ciation. Not a syllable was slurred in  
the entire speech, and nobody at even  
the farthest end of the hall could fail  
to catch the words and discern their  
meaning. The fact shows a studious  
lesson in the art of correct speaking—a  
lesson that should be sedulously taught  
in all schools and in all homes. His  
proficiency proves it possible for all  
to learn ease of pronunciation and  
clearness of utterance.

Still another feature of Mr. Wat-  
son's admirable speech viewed as ora-  
torical effort, was its absence from  
autology and repetition. In the entire  
speech there was but one repetition of  
three words, and that so aptly caught  
that it was scarcely noticeable. What  
other repetitions there were proper  
for emphasis and authorized by the  
best rhetoricians.

Mr. Watson is not a boisterous  
speaker. He does not roar like a bull  
of Bashan. But his voice is pleasant  
and sufficiently variable to relieve any  
monotony. It is clear and reaching  
without fog-horn qualities. It never  
splints. Its highest flights are without  
loss of power and sweetness. The  
rhetoric of the speech was flawless  
and the best grammarians would have  
had a task to point a bit of false syn-  
tax. College students and teachers of  
English should have been close listeners  
to Mr. Watson's speech; doubtless  
many of them were.

Putting aside all politics the speech  
was one of the finest addresses deliv-  
ered in Muncie in late years. Its re-  
ception by an audience that never  
blinked or grew tired for an hour and  
a half was proof of its excellence as  
an oration.

Mr. and Mrs. Edward Aikens, of  
Raleigh, were in the city today.

George Skipton, Otis Cox and Zel-  
ma Cox, who are attending school at  
Connersville, spent Sunday with home  
folks.

T. A. Craige has returned from a  
business trip to Indianapolis.

## BY THE WAYSIDE

"She had a new waist with a peek-  
a-boo front;  
It fitted her form to a 'T'  
'T' was fluted and puckered and ruffled  
and tucked  
Until 'twas a caution to see!  
But alas! for the maid with the peek-  
a-boo waist,  
She wears her right arm in a pack—  
The girl, I am told, broke a bone in  
her wrist,  
A buttress 'gainst the gap in the back!"

## AN OMINOUS SILENCE

Democratic Press of Indiana Not Defending Bryan's Program.

Indianapolis, Ind., September 24.—The Democratic press of the state is generally silent relative to Bryan's latest idea. It has fallen on deaf ears so far as the Democratic editors are concerned, as they are neither advocating nor defending it. About all the Democratic papers contain on government ownership is written at the state committee rooms and sent out in the regular press bureau service. This has not advocated government ownership or defended it, but from the start has been an effort to interpret the "peerless one's" speeches so they will do the party as little harm as possible. John B. Stoll, the veteran editor of the South Bend Times, one of the strongest Democratic papers in the state, is handling Bryan without gloves for declaring for government ownership. Stoll refused to support Bryan in 1896 or 1900 because of his free silver ideas, but he was active in behalf of the ticket two years ago and is looked up to as the dean of the profession in Indiana. The Republican party papers are giving much editorial space to the new issue and the voters are liable to hear a lot more about it during the speaking campaign.

No one will deliver a keynote speech to open the Democratic campaign. That honor fell to John W. Kern, candidate for governor, two years ago. Kern, Alonzo Greene Smith, B. F. Shively and other prominent members of the party expect to take an active part in the hustings, but none of them will be labeled "keynote speaker." No date has been set for the campaign opening. Secretary Reiley says that a lot of work is now being done, especially by the candidates for congress, some of whom are averaging two speeches a day. Several of the candidates on the state ticket have also entered the campaign and intend to keep at it until the finish. Secretary Reiley said that excellent reports have been received at state headquarters from the First, Second, Twelfth and other congressional districts. He predicted the election of Major Menzies of Mt. Vernon over Congressman Foster of Evansville. Reports received by the Democratic committee are to the effect that Congressman Foster will run way behind the Republican ticket. He declared that the outlook for Cyrus E. Davis in the Second district is fine and that the Democrats will carry the Third in spite of the quarrel between the Cox and Zenor factions. He still has hopes that one of the candidates there will withdraw. The Fourth will be reliably Democratic again, and Secretary Reiley said that the reports from every county in the Twelfth are so encouraging that he has no doubt but that the Democrats will regain control of it and elect Dr. Morr of Columbia City.

It was reported here that Chairman O'Brien of the Democratic state committee was responsible for the efforts many of the Democratic county committees are making to have "anti-corruption" agreements signed. It is said that in nearly every instance where they have been proposed that the Democrats took the initiative, which lent color of truth to the statement that it was a plan of the Democratic organization to have the agreements signed. Secretary Reiley stated today, however, that the movement was not inaugurated by the state committee; that whatever was being done to eliminate the use of money was entirely independent of the state organization. Republican leaders admit that the agreements would benefit the Democrats more, as the Democratic party has been hampered for years by lack of funds. Some of the Democratic county organizations have been supplied plentifully with funds, but the state organization has never been flush. So far as a majority of the Democratic committees are concerned, it is said that they would have very little trouble keeping the agreement, as they never have enough money to spend to cut much figure with it. It is believed from present indications that fully half of the counties will sign agreements not to spend money and that the present campaign will be the poorest picking the floaters and bum element have ever had in Indiana.

## PLANS FOR PEACE

Palma Will Continue to Hold Office But Present Congress Must Go.

## TENTATIVE PROPOSALS

Without Official Confirmation the Above Is Believed to Be Program of Our Government.

Secretary Taft Has Not Announced His Plans and Is Awaiting Further Development.

Havana, Sept. 24.—Although the situation in Cuba has not been improved since the arrival of Secretary Taft and has, if anything, become more serious, the secretary has not given up hope that a peaceable settlement may be found without disturbing Cuban independence.

The secretary, however, has not so far announced his plans, and the action he will take probably depends on the attitude of the Moderate and Liberal leaders within the next few days. There is an impression in Havana that the American plans for peace will include the retention of President Palma in office, but will provide for the election of a new congress or in lieu of that, for the reconstruction of the cabinet. This impression is without official confirmation. Pending a settlement, the American warships in Havana harbor are ready to land in addition to those now on shore, up to the number of 4,000 if necessary to protect American lives and property.

Nothing noteworthy took place in government circles Sunday, all the officials awaiting the outcome of the peace negotiations. There still are occasional desertions of government troops to the rebel ranks. President Palma spent the quietest day he has passed since the outbreak of the revolution, remaining with his family in the residence portion of the palace nearly the entire day. Among the flood of rumors current was one that the family of President Palma had embarked on a vessel bound for New York, which was untrue.

Lieutenant Commander Chapin, in command of a brigade of bluejackets has completed a thorough examination of the fortifications of Havana and reports that in the event of a future occupation of the island the city could be fully protected.

Secretary of War Taft is cognizant of the general opinion that peace can not last unless it is enforced by an American army, but he considers that it is the duty of the United States to give the republic another chance, and believes that it would be bad policy for the United States to keep a force in Cuba longer than was required to supervise the laying down of arms. He said today that if the Liberals and Moderates harmonize their differences the United States must regard the compact as made in good faith. That peace will come as the result of the mediation of the United States is now believed by Cubans, regardless of party affiliation, but whether it will be on terms which will insure permanent tranquility is questioned.

## IT'S YOUR KIDNEYS.

### Don't Mistake the Cause of Your Trouble.

Many people never suspect their kidneys. If suffering from a lame, weak or aching back they think that it is only a muscular weakness; when urinary trouble sets in they think it will soon correct itself. And so it is with all the other symptoms of kidney disorders. That is just where the danger lies. You must cure these troubles or they lead to diabetes or Bright's disease. The best remedy to use is Doan's Kidney Pills. It cures all the ills which are caused by weak or disordered kidneys.

Thomas Kennedy, of 246 Meridian street, Shelbyville, Ind., employed in the furniture factory, says: "Three or four years ago I began having rheumatic pains in my hips. It would wear off at times, but any slight cold brought it on again. I commenced to have lameness in the small of my back, a bad feeling in the top of my head, and kidney secretions became unnatural and irregular. I procured Doan's Kidney Pills at a drug store, and they banished the trouble I have mentioned. I can confidently recommend Doan's Kidney Pills to others suffering from backache or other kidney complaint."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agent for the United States.

## RESOLVED

THAT WHEN ANYONE REACHES THE TOP OF THE LADDER IT MEANS HE IS A SUCCESS. SOME PEOPLE ARE FOOLISH ENOUGH TO THINK THAT SUCCESS IS AN ACCIDENT. OF COURSE IT IS NOT. SUCCESS IS THE RESULT OF HARD WORK AND GIVING PEOPLE SOMETHING FOR THEIR MONEY. WHICH PROVES THAT HONESTY IS THE BEST POLICY. IF YOU WANT TO DRESS

GO WHERE THEY HAVE MADE A SUCCESS AT DRESSING PEOPLE—AND DRESSING THEM WELL AND CHEAPLY.

BUSTER BROWN.

R.F. Outcault

You have been seeing us climb. We ourselves have made the rounds to the ladder of our success. Of what? Buying good goods; selling good goods at only reasonable profits; dealing squarely—giving all customers the same price; standing behind everything we sell; treating our patrons with courtesy; and, as you know, by attending to our business and carrying the stock. Good intentions come only out of the head; good goods must come out of a good store that is able to get good goods; we enjoy our business. Activity, progress, is enjoyable. We are business men, proud of our profession, and we make a profession of our business. A professional man is a man especially skilled in what he does. We have made a study dressing people; this is our profession. And this is our confession.
